Home security beyond the front door
Ring Video Doorbells and Cameras create a Ring of Security around your entire property.
Ring Alarm is the security system that takes your Ring of Security a step further, giving you another level of protection for your property.

Now, you can arm and disarm your system and monitor your home, all from your phone, tablet or PC.

1. Say hello to your Ring Keypad.

Set up your Ring Keypad near your Base Station
To add devices to your Ring Alarm, it must be disarmed. If your Ring Alarm is armed, please disarm it now.

In the Ring app, tap Set Up a Device and find Ring Keypad in the Security Devices menu.
To complete the setup process, follow the in-app instructions.

2. Set up your Ring Keypad in the Ring app.

Set up your Ring Keypad near your Base Station
To add devices to your Ring Alarm, it must be disarmed. If your Ring Alarm is armed, please disarm it now.

In the Ring app, tap Set Up a Device and find Ring Keypad in the Security Devices menu.
To complete the setup process, follow the in-app instructions.
3. **Connect your Ring Keypad to your Base Station.**

Follow the in-app instructions to connect the Keypad. When prompted for the QR Code or PIN, you can find them on the back of the Keypad, on the box, or on a card inside the box. Keep the Keypad nearby. You’ll be prompted to press and hold the “1” button to confirm the connection.

4. **Install your Ring Keypad on the wall.**

Plug the Keypad into a wall outlet. Connect the power supply to the Keypad and the wall. The Keypad will turn on.

Track the connection progress of the Keypad. Your Keypad will try to connect to your Base Station. The Keypad’s LED ring will show the progress. Here are some common LED patterns:

- **Waiting to connect**: Blue Rotating
- **Connecting to Base Station**: Blue Blinking
- **Connected**: Blue Solid for 5 seconds

**Place your Keypad**

Place your Keypad in a convenient location, such as near to the door you use most to enter and exit your home. You can place it on a table or mount it using the reversible bracket.

**Security that moves with you**

Ring Alarm has three security modes to match whatever you’re doing.

- **Disarmed**: No sensors are monitored. Move freely through the house.
- **Away**: All sensors are monitored. Secure your whole house.
- **Home**: Some sensors are monitored. Freedom and security, mixed.

Plug the Keypad into a wall outlet. Connect the power supply to the Keypad and the wall. The Keypad will turn on.
